

Winterizing Your Building:

Prepare for, Manage, and Recover from Winter Weather

Tuesday, September 10, 2019

Quattro Pazzi

269 Bedford St, Stamford

11:30am - 1:30pm

Summer is almost over and it's not too early to start to prepare your building for the winter months ahead. Join your Southern CT BOMA colleagues to hear from **Lawrence Keenan, AIA, PE**, on the latest in exterior building maintenance, safety, and damage prevention.

Lawrence Keenan is the Senior Vice President and Director, Engineering with Hoffmann Architects, Inc.

BOMA Members: This program is included if you prepaid for 2019 programs with your dues, but registration is still required.

BOMA Members \$45

Non-Members \$75
