

Virtual SPEED NETWORKING

Tuesday, March 30, 2021 | 4:00-5:00pm

- * *Meet one-on-one with fellow members*
- * *Introduce yourself & chat about your businesses*
- * *Exchange ideas and stay connected*

Join us on March 30th for happy hour speed networking with your fellow BOMA members. Property managers and Allied members will be matched up for 5-minute private 1:1 video sessions for a chance to meet, connect, and chat.

This is a members-only event, and registration is limited to current members of Southern CT BOMA . Allied members are limited to one representative per company. Additional representatives may be listed on a "wait list." Participants will be taken from the wait list once we determine there can be an equal number of property managers to supporting members. All participants will receive access to the attendee list following the event.

If you are from a member property management company and would like to participate, please contact Jeannie at jstonge@ssmgt.com or 860-243-3977.
